

Hello everyone, My name is Jessica Fortgang, I am the 4th grade classroom teacher here at Middleton Elementary School, and I absolutely LOVE teaching. Its an amazing feeling to come to work everyday knowing I have the honor to help students grow and develop lifelong skills that will help them be wonderful memberbers of our community. In addition to my school life, I have lived in the Lakes Region of NH my whole life, and have grown to love and appreciate the natural beauty that surrounds us. I enjoy spending my free time with my family and friends, hiking, kayaking, cooking, and the occasional impromptu dance party in my living room. I've always loved learning and exploring new places and going on adventures. Please know that I am here and available to encourage your student(s) to work hard and meet their goals, not only here at school, but in the larger communities as well. Feel free to reach out to me with any questions or concerns. :)
